

# >>> Top 74 systems integrators

Expect few surprises on the list of the top 74 federal systems integrators based on fiscal 2005 sales. Northrop Grumman led with \$1.75 billion in revenue from systems integration work for federal agencies. Science Applications International Corp. was No. 2 with \$1.51 billion in sales, followed by Lockheed Martin with \$1.35 billion in revenue from systems integration contracts.

Eagle Eye Publishers, a market research company, compiled the sales figures on which the chart is based.

RANK	COMPANY	FISCAL 2005 SALES (IN MILLIONS)	RANK	COMPANY	FISCAL 2005 SALES (IN MILLIONS)
1	Northrop Grumman	1,751.2	20	ManTech International	176.6
