

Small and midrange NAS servers support nearly any operating system

Vendor	Product	Configuration	Capacity	RAID levels	Network connection	Other features	Price
Advanced Media Services Inc. Salem, N.H. 603-898-7500 www.amsstorage.com	Dakota RAID 400	IU rackmount	480G	0, 1, 5	10/100 or Gigabit Ethernet	SCSI or UltraATA drives, hot-swappable drives, hot RAID expansion, scalable to IT, Web management, local tape backup and backup agent, rack, tower and desktop configurations	\$3,850
Ateonix Networks Inc. Fremont, Calif. 800-488-7776 www.ateonix.com	NASAS 2040	Standalone plug-and-play	Scales to 1T	0, 1, 5	10/100 Ethernet, optional Gigabit Ethernet, optional dual Ethernet ports	Supports all Windows, Unix/Linux, Macintosh operating systems; Web management; system health monitor; supports CIFS/SMB, NFS, AFP file systems	\$3,500
AVistor Oakland, Calif. 510-535-0308 www.avistor.com	AVI-N801R-UE/FE	Standalone plug-and-play	18G to 1.4T	0, 1, 0+1, 3, 5, 10, 30, 50 or JBOD	10/100 Ethernet, DHCP address resolution, WINS name recognition, NetWare NDS Bindery Authentication	Nine drive bays, redundant HDD, optional redundant controller, optional tape backup; integrates easily with a wide range of SCSI and SCSI-Fibre based computers and hubs	\$3,000 up
BigStorage Inc. San Francisco 415-252-0732 www.bigstorage.com	K2 NAS	3U rackmount	Scales to 1.6T	0, 1, 3, 5, 0+1	Dual 10/100, optional single or dual Gigabit Ethernet	Uses BigStorage 2.4, a Linux-based open OS; supports Unix/Linux, Windows and Mac OS systems; eight hot-swappable bays, dual 300-watt power supplies	\$2,895 up
Cutting Edge Inc. La Mesa, Calif. 619-667-7888 www.cuttingedge.com	EdgeWare dP4-720i	IU rackmount	720G	0, 1, 5	Single 10/100/1000BaseT Ethernet	Comes in IDE and SCSI models, supports Windows, Unix and Macintosh OSes, Java administrative software, NT Domain and Active Directory Services	\$3,000
Dell Computer Corp. Austin, Texas 512-338-4400 www.dell.com	PowerVault 725N	IU rackmount	Scales to 480G	0, 1, 5	Dual 10/100/1000 Ethernet	Windows-powered OS, Web management, hot-swappable drives, two PIC slots for additional controllers or tape backup, configurable for third-party software	\$1,644 GSA
Dynamic Network Factory Inc. Hayward, Calif. 800-947-4742 www.dynamicnetworkfactory.com	Flexstor-NAS 400 RAID Server	IU rackmount	320G to 800G	0, 5, 10	10/100/1000 Ethernet	Optional single or dual Xeon processors, Web management, can be daisy-chained with the Datamax 8200 or 14000 RAID subsystems for a total of 6.4T of storage	\$4,967 up GSA
EMC Corp. Hopkinton, Mass. 508-435-1000 www.emc.com	Celerra NS600	Rackmount	1T to 11T	1, 4, 5, 4+1, 8+1	10/100 Ethernet, Gigabit Ethernet	Midtier NAS system with high-end features; can be configured in two modes, one for high availability and one for maximum performance; includes Celerra Web Manager and Celerra Data Manager	\$167,000 up
Emerging Systems Inc. Huntsville, Ala. 800-659-4440 www.lanredi.com	LR800 Series Rackmount	4U rackmount	70G to 1.81T	5	10/100 Ethernet	Hot-swappable drives, power supplies, internal case fans; Web management; compatible with Windows, NetWare, Unix and Macintosh environments; also available in desktop and tower configurations	\$1,950 GSA
Excel Meridian Data Inc. Carrollton, Texas 800-995-1014 www.excelcdrom.com	DataNAS Filer	Tower	60G to 2T	5	Dual 10/100 Ethernet, optional 10/100/1000 Gigabit Ethernet	Up to eight ATA-133 hard drives, up to two CD-R or DVD-RW drives and tape backup devices for data archiving, compatible with Windows, Unix and Macintosh, hot-swappable components, Web management	\$3,740 up
First Intelligent Array San Clemente, Calif. 949-940-6565 www.popnetserver.com	Popnetserver 4500	IU rackmount	480G	0, 1, 5	Dual 10/100 Ethernet, 10/100/1000 Gigabit Ethernet, optional Fibre Gigabit Ethernet	Simplified storage management with Windows POPAssist, cross-platform protocol support, quad Ultra ATA/100 disk controllers, dual LAN failover software protection	\$1,899 up
Hewlett-Packard Co. Palo Alto, Calif. 650-857-1501 www.hp.com	StorageWorks NAS b2000 Model N218i	Rackmount	218G to 9.3T	0, 1, 5	Dual 10/100 Ethernet	Multi-protocol Windows (CIFS), Unix (NFS), Novell (NCP), AppleTalk support; redundant, hot-swappable components, industry-standard backup, antivirus and quota management tools, Web management	\$11,591
IBM Corp. Armonk, N.Y. 914-765-1900 www.ibm.com	TotalStorage NAS 200 Model 25T	Tower or rackmount	225G to 7T	User-selectable	User-selectable (up to four connections)	Cross-platform file sharing, advanced management and diagnostic tools, optimized Windows OS, redundant power supplies, supports third-party management systems	\$17,295 up
Inline Corp. Dulles, Va. 800-465-4637 www.inline.com	FileStorm 2300	Rackmount	960G to 3.84T	0, 1, 0+1, 5	Dual 10/100 Ethernet, one Gigabit Ethernet	NFS and CIFS connectivity for Unix and Windows file sharing, Web management, built-in replication and backup capabilities	\$19,000 up
Iomega Corp. San Diego 858-795-7000 www.iomega.com	NAS P415u	Rackmount	720G	0, 1, 5, 5+	Dual 10/100 Ethernet	Unix-based, RAID 5+ hot-spare file protection, hot-swappable drives, dual NICs	\$5,499
Network Appliances Inc. Sunnyvale, Calif. 408-822-6000 www.netapp.com	NetApp F87	Tower or rackmount	216G to 576G	N/A	10/100 Ethernet, optional Gigabit Ethernet or quad 10/100 Ethernet	Redundant hot-swappable power supplies, automated RAID manager, SnapShot, SnapMirror and SnapRestore data protection, multiprotocol (CIFS, NFS, HTTP) support	\$13,900 up
Procom Technology Inc. Irvine, Calif. 949-852-1000 www.procom.com	NetForce 800	4U rackmount	640G to 1.2T	0, 5, 0+1	One 10/100 Ethernet, one optional 10/100 Ethernet	UPS monitoring, Web management, SNMP and NDMP support, optional ProMirror mirroring software, full Windows and Unix support	\$12,730 up
Raidtec Corp. Alpharetta, Ga. 770-664-6066 www.raidtec.com	Snaz E6	2U rackmount	480 to 960G	0, 1, 5, 10	One 10/100 Ethernet, one 10/100/1000 Gigabit Ethernet	Simultaneous support for Windows, Unix/Linux clients, LVD SCSI or Fibre Channel expansion options, Web management	\$5,995 up
Snap Appliance Inc. Milpitas, Calif. 888-343-7627 www.snapappliance.com	Snap Guardian 4400	IU rackmount	640G	0, 1, 5	Dual 10/100/1000 Gigabit Ethernet	Cross-platform support for Windows, Unix, Linux, Macintosh environments; hot-swappable drives; Web management	\$4,295
