

# IT hearings

Hearings on IT and related matters held since 2001 by the Government Reform Subcommittee on Technology and Procurement Policy, with Rep. Tom Davis as chairman (2001-2002); the Government Reform Subcommittee on Technology, Information Policy, Intergovernmental Relations and the Census, with Rep. Adam Putnam as chairman (2003-2004), and the full House Government Reform Committee, with Davis as chairman (2005-present).
