Norton Ghost 9.0	
DISK BACKUP UTILITY	
Symantec Corp., Cupertino, Calif. tel. 408-517-8000 www.symantec.com Price: \$69.95	
Reviewer's comments: Much improved disk imaging program, but still has some room for improvement. The interface could be more welcoming, and the price is a bit steep for an imaging-only solution.	Performance: B+

BackUp Now 4.0 Deluxe Suite	
DISK BACKUP UTILITIES	
NewTech InfoSystems Inc., Irvine, Calif. tel. 949-421-0720 www.ntius.com Price: \$79.95	
Reviewer's comments: Easy-to-use backup software with some great advancements, such as the ability to back up to an FTP server. Includes disk imaging and file-level backup utilities. Only problem was with installation, which worked sporadically on one test bed.	Performance: B
	Ease of Use: A
	Features: B+
