**MAKING
THE GRADES**

For details on how the lab grades products, go to www.gcn.com and enter 112 in the **Quickfind** box.

Product	GoToMyPC 4.0	pcAnywhere 11.0	Office Live Meeting
Vendor	Citrix Systems Inc. Santa Barbara, Calif. tel. 888-259-3826 www.gotomypc.com	Symantec Corp. Cupertino, Calif. tel. 408-517-8000 www.symantec.com	Microsoft Corp. Redmond, Wash. tel. 425-882-8080 www.microsoft.com
Reviewer's comments	Best user interface for telecommuting, but with fairly slow file transfers and low image quality.	High-volume file transfers make this program powerful and attractive for sysadmins; interface too difficult for less-experienced users.	Interface perfect for long-distance, multiparty communications, but product and price not geared to single-client telework.
Price	\$20 per seat, per month	\$200	\$75 per seat, per month
Overall grade	A- REVIEWER'S CHOICE ★	B+	B
