

PKI/encryption products

VENDOR	PRODUCT	NOTE	PRICE
ArrayNetworks Inc. Campbell, Calif. 408-378-6800 www.arraynetworks.com	TMX3000	SSL accelerator application front-end processor, Ethernet and fiber connections	\$35,980
Certicom Corp. Mississauga, Canada 905-507-420 www.certicom.com	Security Builder R FSET	FIPS-140-2 Level 1 cryptographic module	\$25,000 up
Cisco Systems Inc. San Jose, Calif. 800-553-6387 www.cisco.com	Private Link 2	PCI encryption module	Contact vendor
	IPSec VPN Services encryption module	1 Gbps VPN, VLAN encryption module for IPSec	\$24,734
	CSSII506	SSL load balancing, 1,000 SSL transactions per second	\$36,990
CoreStreet Ltd. Cambridge, Mass. 617-661-3554 www.corestreet.com	Real Time Credential Validation Authority	DOD tests show validation times are under one second	Contact vendor
Coyote Point Systems Inc. San Jose, Calif. 877-367-2696 www.coyotepoint.com	Equalizer Extreme with XCEL	Xeon-based SSL Ethernet accelerator hardware	\$13,490
	XCEL	PCI encryption card, multiple encryption standards	\$2,738
CyberTrust Herndon, Va. 703-480-8200 www.cybertrust.com	UniCERT PKI	Provides CA, registration authority components	Contact vendor
Digital Signature Trust Co. Salt Lake City 801-326-5400 www.digsigtrust.com	ACES Individual Certificate	GSA program Access Certificates for Electronic Services	\$35
	ACES Bulk Certificate	GSA program Access Certificates for Electronic Services	\$90
	TrustID	SSL network or Web server certificate	\$175
	CertainSend	Secure electronic document transmission	Contact vendor
	Root Certificate Chain for Federal Employees	Just for federal users with IE, X2-X6-AI	Contact vendor
	IECA Certificate	Interim external CA good through 3/31/06 for DOD transactions	\$89
Entegrity Solutions Inc. Nashua, N.H. 603-882-1306 www.entegrity	AssureAccess	Access management software approved for the E-Authentication initiative	Contact vendor
Entrust Technologies Inc. Addison, Texas 888-690-2424 www.entrust.com	Entrust Authority	PKI system	\$25,000 plus \$2 per user
	Administration Toolkit for C	APIs for registration and administration	Contact vendor
	Standard SSL Certificate	I28-bit WebTrust certification	\$149 up
	Premium SSL Certificates	Automated enrollment, policy control and auditing	Contact vendor
	WebHoster	Centralized administration of SSL certificates	\$149 per year
Forum Systems Inc. Sandy, Utah 801-313-4401 www.forumsys.com	Sentry I504	A DOD PKI-approved hardware gateway	\$20,000 up
Frontier Technologies Corp. McLean, Va. 703-734-1224 www.elock.com	E-lock ProSigner	Digital-signature software integrates with Windows, Office and Adobe on the desktop	Contact vendor
	E-lock DeskSeal	Digital-signature wizard software uses PKS#7 file format	\$45
GeoTrust Inc. Needham, Mass. 781-292-4100 www.geotrust.com	QuickSSL Premium	I28-bit SSL includes security seal with real-time two-factor authentication	\$209 per certificate
	QuickSSL	I28-bit SSL certificate issued in 10 minutes	\$169 per certificate
	True BusinessID	End-to-end SSL Internet security	\$289
	True BusinessID Wildcard	End-to-end SSL transactional security for multiple domains	\$769
Hewlett-Packard Co. Palo Alto, Calif. 650-857-1501 www.hp.com	ProLiant AXL300	PCI SSL cryptographic card for Reliant Web servers, Windows and RedHat Linux drivers	Contact vendor

			
IBM Corp. Armonk, N.Y. 888-839-9289 www.ibm.com	IBM 4758 e-Business Cryptographic Coprocessor	Triple DES and RSA digital-signature support	Contact vendor
	SSLight	Cryptographic toolkit, FIPS-140-2 Level 1 certified, available for many platforms	Contact vendor
	CrpytoLite	Cryptographic toolkit, FIPS-140-2 Level 1 certified, available for many platforms	Contact vendor
	Digital Certificate Manager	Certificate management software	Contact vendor
Ingrian Networks Inc. Redwood City, Calif. 650-261-2400 www.ingrian.com	DataSecure Platform	Multistandard encryption appliance for Windows, Linux and Unix systems	\$32,500 up
nCIPHER Corp Arlington, Va. 703-351-5019 www.ncipher.com	nFAST Ultra	PCI card supports 10,000 SSL transactions per second	\$5,361
	nFAST 300 SCSI	SCSI SSL card	\$12,000
Nortel Networks Ltd. Brampton, Ontario 905-863-000 www.nortelnetworks.com	SSL VPN 1000 Encryption Module	PCI encryption module supports VPN, LDAP, IPSec and TCP/IP protocols	\$5,329
	Alteon Application Switch 2424-SSL	Network switch and SSL accelerator combination	\$31,995
RSA Security Inc. Bedford, Mass. 781-515-5000 www.rsasecurity.com	Keon CA	Digital certificate and cryptographic key management for Windows and Sun systems	Contact vendor
	SecureID Appliance	Rack mount, two-factor user authentication system	\$4,000 up
Safenet Inc. Belcamp, Md. 410-931-7500 www.safenet-inc.com	Luna PCI	FIPS-140-2 Level 3-validated PCI cryptographic card; supports multiple cryptographic standards, 1,200 to 7,000 asymmetric RSA operations per second	Contact vendor
	Luna SP	Java application security module FIPS-140-2 Level 3 validated	Contact vendor
	Luna SA	Rack mount, Ethernet connected FIPS-140-2 hardware encryption	\$5,995
SiteScape Inc. Maynard, Mass. 978-461-9959 www.sitescape.com	TCAMM	PKI meeting and collaboration management	\$49 per license and up
	Forum eMeeting	Secure Web conferencing and application sharing	\$99 per license plus \$15,000 server fee
	SiteScape Zon	Secure Web conferencing with no requirement for prescheduling	\$35,000 for 48 concurrent users
	WebWorkZone	Subscription-based secure collaboration in a hosted environment	\$250 per month for 10 users
Spyrus Corp. Santa Clara, Calif. 408-327-1901 www.spyrus.com	Fortezza PC 300 Crypto Card	PC encryption card module for Windows XP systems	\$276
	Jumbo Fortezza PC 300J Crypto Card	PC encryption card module for Windows XP systems	\$379
Sun Microsystems Inc. Palo Alto, Calif. 800-786-0404 www.sun.com	Crypto Accelerator I000	SSL and Triple DES encryption, PCI card	\$2,199
Tumbleweed Communications Corp. Redwood City, Calif. 650-216-2000 www.tumbleweed.com	Validator Toolkit	Certificate validation development tools for C, C++ and Java	Contact vendor, price being updated
	Valicent Validation Authority	Used by DOD	Contact vendor, price being updated
	Desktop Validator	Windows CAPI validation tool	Contact vendor, price being updated
VeriSign Inc. Mountain View, Calif. 650-426-5115 www.verisign.com	Managed PKI for SSL Standard Edition	40-bit SSL certificates	\$20,450 per 100 certificates
	Managed PKI for SSL Premium Edition	I28-bit SSL certificates	\$57,000 per 100 certificates
