

THE SBINET CHECKLIST

DHS hopes to award the massive Secure Border Initiative-Net contract by Sept. 30. Here is a look at the solicitation:

- ☐ 3-year indefinite-delivery, indefinite-quantity contract, with three one-year options
- ☐ \$2 billion estimated value.

OBJECTIVES:

- ☐ Detect entries when they occur
- ☐ Identify what the entry is
- ☐ Classify level of threat

- ☐ Effectively and efficiently respond to the entry, and bring the situation to the appropriate law enforcement resolution
- ☐ Develop nearly real-time common operating picture of border environment, providing commonality with DHS and other federal, state and local agencies.
