

Breaches pile up

AGENCIES REPORTED these data breaches back to Jan. 1, 2003, to the House Government Reform Committee. It is likely some agencies underreported incidents, did not have the capability to track data or did not know about data breaches, while VA was the most comprehensive, including privacy incidents as well, the committee said.

AGENCY BREACHES REPORTED

AGRICULTURE	8
COMMERCE	297
DEFENSE	43
EDUCATION	41
ENERGY	7
HHS	24
