

# Security Products

## Your Integrated Media Solution

*Security Products* is the leading industry media brand for the global security marketplace. Our print, digital, event, custom media and research products integrate coverage for both physical and IT security as these functions are in the process of convergence. The *Security Products* brand is your best integrated media platform serving the product and new technology needs of the entire security product buying team — suppliers and end users. This makes *Security Products* the smartest marketing partner for today's security product and service marketers.
