OMB targets 18 agencies for security fixes

These agencies cannot spend money slated for development, modernization and enhancement of systems until they correct security deficiencies. However, agencies can tap DME funds to fix security problems.

Agency	DME spending		IT security spending	
	FY 2004	FY 2005	FY 2004	FY 2005
Corps of Engineers	$8M	$32M	$0	$27M
