REDMOND VENDOR PROFILE

Vision Solutions: The Best of Information Availability Across Major IT Platforms

Nicolaas Vlok
President and CEO
Vision Solutions

Vision Solutions, Inc. is the world's leading provider of information availability software and services for Windows, Linux, IBM Power Systems and Cloud Computing markets. Vision's trusted Double-Take®, MIMIX® and iTERA™ high availability and disaster recovery brands support business continuity, satisfy compliance requirements, reduce operating costs and increase productivity. Over half of the Fortune 500 protect their data with products from Vision Solutions.

Ensure Nonstop, Resilient Business Operations

Vision High Availability solutions deliver nonstop business continuity, boost productivity and accelerate business processes. Innovative, easy to use replication, switching and failover combine to minimize costly downtime and ensure resilient information availability.

Protect Critical Data, Recover Faster

Vision Disaster Recovery solutions protect critical information and recover lost data in a fraction of the time and effort of traditional tape backup solutions. Affordable, automated solutions deliver efficient, uncomplicated continuous data protection and a range of fast, flexible recovery options.

Supercharged Performance for Data and Systems

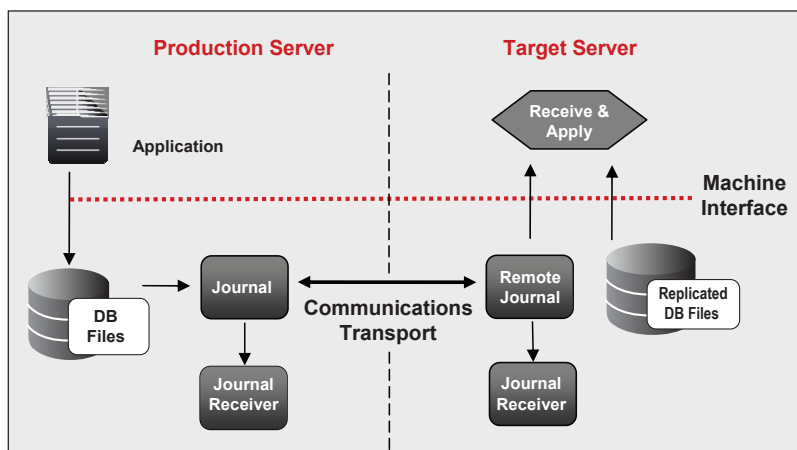

Vision Data and Systems Management solutions accelerate the performance of your most important IT and information assets, enable intelligent and unhindered data sharing, and take the downtime and

stress out of migrations and upgrades. Get more out of the systems and data that keep your business moving. Regardless of which mainstream computing platform you use, or whether your business runs on one server or has data centers around the globe, Vision Solutions has what you need to achieve true Information Availability.

Vision products are backed by certified worldwide 24x7 customer support centers and a global partner network that includes IBM (NYSE:IBM), HP (NYSE:HPQ), Microsoft (NASDAQ:MSFT), VMware (NYSE:VMW) and Dell (NASDAQ:DELL).

Privately held by Thoma Bravo, Vision Solutions is headquartered in Irvine, California, USA with offices worldwide.
